

dashboard-admin-home

The screenshot displays an admin dashboard with a blue header and a dark blue sidebar. The header includes a university logo, the title 'Dashboard', a chat icon, and the user's name 'Admin's Name' with a dropdown arrow. The sidebar contains navigation links: Home, Profile, Courses, Students, Timetable, and Achievements. The main content area is divided into three sections. The top section, 'Current Courses', shows two course cards: 'CEN 110 - C Programming' and 'PHY 101 - General Physics 1'. The bottom section, 'This week's activity', lists three activities for CEN 110 and PHY 101, each with a date '28 JAN' and a placeholder text. The right sidebar contains a 'To do list' with tasks like 'Assign LL test', 'Arrange meeting @11', 'Ask for mid deadlines', and 'Grade participation', followed by an 'Actions' section with buttons for 'Create a New Course' and 'Set up a Meeting'.
